

C&C PAINTING GROUP

Junior Estimator (Part-Time)

Location: Canberra, ACT

Company: C&C Painting Group

Reports to: Estimating Manager

About the Role

C&C Painting Group is seeking a motivated Junior Estimator to provide estimating support to our Estimating Manager.

This part-time position is ideal for a university student studying Construction Management, Quantity Surveying, or a related field who is eager to gain hands-on experience in a professional painting and decorating environment.

You will assist with preparing project quotes and tenders, reviewing plans, and coordinating supplier pricing, gaining valuable insight into how projects are costed and delivered across Canberra's residential, commercial, and government sectors.

What You'll Do

- Assist with the preparation of detailed project quotes and tenders.
- Review drawings, specifications, and scopes of work for estimating purposes.
- Complete quantity take-offs using Groundplan (or other estimating systems.)
- Gather and organise supplier and subcontractor pricing.
- Maintain and update estimating documentation, quote templates, and pricing information.
- Support the Estimating Manager with data entry, pricing breakdowns, and client submissions.
- Assist in identifying and implementing improvements to estimating processes and systems.
- Collaborate with project and operations teams to ensure estimates align with on-site realities.

What We're Looking For

- Currently studying Construction Management, Quantity Surveying, or a related discipline.
- Attention to detail and confidence working with numbers, drawings, and specifications.
- Strong communication and organisational skills.
- Eagerness to learn, take initiative, and contribute to a growing business.
- Competency with Excel and general digital tools (experience with estimating software a bonus).

PAINTING GROUP

Why Join C&C Painting Group

- Gain real-world estimating experience with a respected Canberra painting company.
- Work directly alongside an experienced Estimating Manager.
- Exposure to a variety of projects across residential, commercial, and government sectors.
- Flexible part-time hours to suit your study commitments.
- Friendly, supportive team with opportunities for professional growth.
